Bundesverband der
Dolmetscher und Übersetzer
Spricht für Sie. Weltweit.

Dear Visitor,

Are you looking for

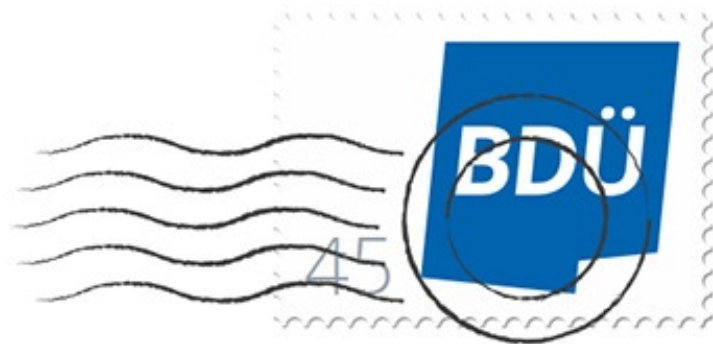

- Translators to help you and/or your family with legal/medical/school-related or other important documents?
- Interpreters to help you and/or your family during visits to public authorities, lawyers, doctors, registering your children at school, attending parent/teacher meetings etc.?

At the BDÜ you will find the help you need: qualified and experienced translators and interpreters, including those who are state-certified/sworn, which is important for official documents and interpreting jobs; they will be pleased to help you with your language needs.

The BDÜ is Germany's largest professional association for qualified translators and interpreters. Its members work in over 80 languages: [search.bdue.de](https://www.search.bdue.de) – you will find everything you want here!

Sincerely,
BDÜ Landesverband Hessen
